### Correction to: Vegetation History and Archaeobotany <https://doi.org/10.1007/s00334-023-00954-w>

In the original published article, the location of some of the sites indicated in Fig. 1 was incorrect as wrong coordinates were used to geospatially reference them (sites #3, 67, 131, 136). This correction corrects Fig. 1 and supplementary information (ESM 1) file.  
The original article has been corrected.

**Supplementary Information** The online version contains supplementary material available at <https://doi.org/10.1007/s00334-023-00968-4>.
